

INDIVIDUAL PRAYER GROUPS

1- Decide if you want to host a prayer meeting of couples or just ladies to meet in your home once a month.

For the specific purpose of praying for our nation and asking God to send a heaven sent, Holy Spirit, national changing revival in which tens of millions of American get saved and turn back to God. Your time frame for this prayer meeting should be 45 min to an hour.

2- Contact other couples or ladies in your circle of friends, who are also concerned about the spiritual condition of our nation.

Let these people know this meeting is for PRAYER ONLY. This is not a social gathering, but for those with hearts that break over the spiritual condition of our nation.

3- Begin your prayer time by sitting in a circle or around a table.

-Go around the circle with each person **PRAISING GOD** for His provision, watch care and blessings you have and experience that day.

-Spend the next few minutes in **SILENT PRAYER** of confession for personal sins that you struggle with.

-Go around the circle again asking God to send the **HOLY SPIRIT** to convict our government leaders, help them make wise decisions, turn back to the principles and statues taught in God's Word regarding a nation. Give us **HOLY SPIRIT** backbone to stand up and be counted for the cause of Christ.

4- End your prayer time praying for individual requests for their families that have specific needs: job changes, financial difficulties, persecution on the job; wisdom to raise their children according to God's principles and for guidance in leading our children to accept Jesus Christ as Lord and Savior of their lives.

Once your group is going and growing, encourage them to reach out to their circle of friends and start another group following the same format.
